

A place to learn, grow and belong

A welcoming specialist post-16 college

Personalised learning and support that balances academic education with practical skills for adult life, opportunities to build friendships and the enjoyment of being part of a college community.

OPENING JANUARY 2027

Learning for life beyond college

Each learner's programme reflects their strengths, interests and EHCP outcomes. Five connected learning areas support progress towards adult life.

Learn

Communication, English, maths and digital skills, with qualifications where appropriate.

Work

Exploring careers through enterprise, volunteering and practical work experience.

Wellbeing

Building emotional wellbeing, healthy routines and confidence to take part in learning.

Belong

Developing friendships, social confidence and connections within the community.

Independence

Everyday skills including managing money, travel training and making informed choices.

Sensory room

Social lounge

Interested in joining us?

We welcome enquiries from young people aged 16 to 25 with an EHCP, their families and professionals. Contact us to explore whether the college is right for you and arrange a conversation or visit.
